- i) Weight restriction for Scawby and lorry movements along Church Street– An email received from N.L.C advised the meeting that Brigg Haulage Company have agreed to direct all drivers to avoid driving through Scawby in the mornings when they are empty and instead will use the A15 and B1396. The lorries will drive through Scawby on their return journey because of the safety implications turning onto the A15 at Scawby Crossroads.

The request for a weight limit is noted and an officer will undertake a feasibility study of a weight limit and will let the parish council know the findings in due course.

The clerk thanked Cllr Poole for his help in resolving this matter.

- ii) Dog Fouling – email from N.L.C circulated who advise that they have erected two dog fouling/control order signs on Manor Drive and Old Manor Drive.

It was suggested that the leaflet provided by N.L.C should be displayed on the notice boards.

- iii) Fly Tipping – N.L.C report that there does not appear to be a problem with flytipping on Ermine Street – between April and October 2010 there have been 2 reported instances of flytipping in Scawby – Messingham Lane and Greetwell Cross Roads. It is therefore not possible to justify erecting warning signs or covert cameras. It was noted that there is some flytipping on the highway on Ermine Street, just off the A15 on the right hand side.
