**8. POLICE MATTERS .**

- i) Ridge ward crime report – most recent report to be circulated with minutes when available.
- ii) Golden Rivers – response received from Roy Hindmarsh which advised that a location needed to fall within the top 48 sites in order to qualify for immediate traffic calming measures. Vicarage Lane is recognised at number 22 and therefore automatically qualifies for a speed sign – the response indicated that the sign for this location is scheduled for 4<sup>th</sup> July – 2<sup>nd</sup> October 2011 – although councillors indicated that a sign has already been put in place in this location.

Monitoring took place on Messingham lane over a 7 day period in January 2010 and as a result the location is currently at number 95 in the speed management category along with West Street which is currently at number 131. If these locations eventually fall within the top 48 sites they both do qualify for a Community Speed watch sign. Church Lane was last monitored in June 2000 and is well out of date – it will be put on the location list to monitor – hopefully within the next 6-8 weeks. Results will be forwarded on to the parish council.

It was suggested that Roy Hindmarsh be asked if the village could be allocated the small signs with a picture of a camera which may help to slow down the speeding vehicles.

- iii) New Police matters : No new Police matters to report.

**9. NORTH LINCOLNSHIRE COUNCIL HIGHWAYS MATTERS**

- i) Annexe A : No updates to report.
- ii) New highways matters: No new matters to report.

**10. PLAYING FIELD AND VILLAGE MATTERS.**

- i) To set a date for the Parish Assembly – Monday 11<sup>th</sup> April 2011 – 7pm.  
May Parish Council meeting – It was noted that this meeting needed to be one week later – now scheduled for WEDNESDAY 11th MAY 2011 at 7pm – this is because a parish council meeting must take place within a certain number of days after an election and our usual date would have been 1 day before the election.

- ii) New village matters – Cllr Mrs Jarratt advised the meeting that Smalleys nurseries had kindly donated the plants for the winter bedding pots situated at the village hall and Lockwoods Garage and had also very kindly planted these pots free of charge – clerk to write a letter of thanks and acknowledge within the parish magazine.

- iii) It was noted that the tree purchased in memory of Peter Rhodes had died and need to be replaced. It was agreed that Cllr Mrs Jarratt with the help of Cllr Johnson would arrange replacement.

Cllr Mrs Jarratt expressed disappointment in the flower beds planted by N.L.C. Cllr Mrs Jarratt has arranged to go round the village with Halyna from N.L.C to find ways of improving the flower beds and displays in the village.

Cllr Johnson asked if there was any possibility of allotments in the village. The meeting advised that the parish council had asked Nelthorpe Estate for allotment land some time ago and they had offered some land at Castlethorpe Corner which councillors believed to be too far out of Scawby to be attractive to villagers.

2011/12 - 4

It was suggested that Nelthorpe Estate be asked if the land at the back of Ingrams Gardens and the village hall car park might be made available – this was thought unlikely as they hadn't offered this land when originally asked.

**11. ITEMS FOR PARISH NEWSLETTER**
