Chairman's Report 2011

The Chairman's report is attached to these minutes.

OPEN FORUM

Mrs Jarratt advised the meeting that the flower beds throughout the village have been particularly disappointing this winter and spring, but N.L.C advise that this is because of the severe weather conditions experienced in November and December 2010.

The Councillors present expressed their gratitude to the work The Chairman and clerk have carried over the previous year.

It was noted that the tree planted in memory of Peter Rhodes appears to have survived the winter and it was thought appropriate to plant a garden area around this tree.

There being no further business the meeting closed at 7.25pm.
