Old Manor Drive is owned by The Estate, as is Abrahams Cottage. D Dannett would like the parish council to support his complaint to The Estate and ask The Estate to improve the drainage in this area as other residents are adversely affected by this flooding and it is a health and safety issue – particularly when the water freezes.

- ii) Christmas tree – clerk has spoken to Richard Coleman who advised that he would be very supportive of a Christmas tree on the green and would help in any way he could but felt that the only way to get power for Christmas lights would be from the street light which would need organising through N.L.C and this process would need to commence 6 months in advance. The meeting agreed to purchase 2 sets of solar lights – to a budget of £120 – and place these lights in the Willow tree on the village green.
