**4. MATTERS ARISING FROM THE MINUTES OF THE PARISH COUNCIL MEETING HELD ON 5<sup>th</sup> JUNE 2013.**

- i) Heavy Goods vehicles passing through Scawby – It was noted that there has been a significant reduction in HGV's along Church Street mainly due to the fact that the road has been partially closed. Cllr Platts agreed to contact the HGV companies and negotiate with them to use alternative routes where possible. A response has been received from Peter Williams/Ian Jickells of N.L.C who advised that vehicle monitoring loops have been placed and the data should be available at the beginning of July. A weight limit is also under consideration. N.L.C Officers are to keep the parish council updated on progress.
- ii) Play Equipment Inspections – The SLA to commence the playground inspections has been signed and returned to N.L.C. The inspections will commence with immediate effect.
- iii) School Crossing – response received from N.L.C explaining that the crossing has been placed to ensure as many people use the crossing as possible – if the crossing is off set this encourages people to cross at the most convenient point or where they are used to crossing – which causes pedestrians to cross anywhere within the zig-zag area which can prove to be dangerous. It was noted that the tarmac either side of the crossing entrance has disintegrated needs making good – clerk to report to N.L.C.
- iv) Grass Cutting – Scawby Brook – N.L.C advise that the verges have now been cut – but they have suffered with sickness with employees. The meeting noted that the overall standard of grass cutting on highways verges, throughout the parish, is not satisfactory.

- i) Review of Action List – action list updated at meeting and will be circulated by email with minutes.
- ii) Scawby Brook – flooding problems – The drainage camera survey has been completed, indicating a number of issues which require rectifying. Silt, fat and tarmac debris has blocked the drains and properties in River Meadow have had their drains jetted to remove a solid mass. Anglian Water will write with a further update by 15/7/13.
- iii) New highways matters: Cllr Matthews advised the meeting that a number of vehicles are being parked on his drive at present but this is not for commercial purposes.

## **13. PLAYING FIELD AND VILLAGE MATTERS.**

- i) Tree planting scheme – Cllr Matthews advised the meeting that The Woodland Trust are providing free packs of trees. Clerk to look into this offer. N.L.C have responded to the clerks enquiry about regulations for planting trees on highways and it was noted that it might be appropriate to have a site meeting with a N.L.C officer once the parish council has an idea of how many and where the trees might be planted.
- ii) Children’s play area – Cllr Barker advised of a meeting held with Playdale at the play area site. This company are to provide a quotation and specification to a budget of approximately £9 – 11,000. They will email a 3D proposal and a quotation should be available for next months meeting. The existing play equipment was felt to be a little antiquated and needs some remedial work. The meeting agreed to wait for the first report from the N.L.C playground inspectors before making a decision on the existing equipment.  
A further meeting with a company named Sovereign is to take place on 17/7/13 at 8.00am.  
A company named Play and leisure have provided quotations over the telephone.
- iii) Dog Control Order signs – clerk has been in touch with the dog wardens who can provide suitable signage.
- iv) Directional sign- Ivy Designs have provided a quotation of £185 +vat for a Green sign without illustrations. The meeting agreed to go ahead with this directional sign.  
Clerk to ensure no further permissions are required.
- v) Parish Directory – It was agreed to bring the existing parish directory to next months meeting to decide the way forward with this publication.
- vi) New Village Matters:
  - a) Pot holes are evident around the village – councillors to note where the pot holes are and a list will be compiled next month and sent to N.L.C.
  - b) The grass verges between the school and the playing fields still need attention after the works at the school. The verges are damaged and brick rubble is evident. Clerk asked to write to school to ask to have the grass verge reinstated – adjacent to the

2013/14 - 18

gate where vehicles have parked. Cllr Frost agreed to supply photo’s of the damaged areas.

- c) It was noted that the flower beds planted by N.L.C are particularly disappointing this year. The meeting felt that there was a poor choice of plants and the quality of plants is not satisfactory. Cllr Mrs Jarratt is discussing this matter with Halyna this month.  
It was noted that the pub window boxes look fantastic.
- d) It was noted that trees at the leisure centre are overhanging the pavement and there are nettles and trees overhanging the pavement at the bottom of Silversides Lane –  
on the right hand side.
- e) It was noted that the hedge/shrub on Manor Drive is still overhanging the pavement and causing an infringement – it has been trimmed but not adequately.
- f) There is a bush in the village hall car park which requires attention – Cllr Platts will organise.
- g) It was reported that dog fouling is particularly bad throughout the village – but particularly on Chapel Lane. Message to be placed in parish magazine.
- h) Cllr Platts asked the parish council to record a vote of thanks to Cllr Barker and the S.E.T team for a wonderful gala weekend. Cllr Barker responded by thanking not only the organising team but to all those who turned up and took part in the activities – they were the people who made the weekend such a success. Gratitude to be expressed in the parish magazine. Disappointment was expressed in the lack of coverage from the Scunthorpe Telegraph. Forthcoming events from the S.E.T team include a Safari supper, supporting the Sutton Arms bonfire, Halloween disco for primary school children and an adults dance in December.
- i) The BT phone box on West Street/Gainsborough Lane junction is an eyesore – clerk to ask if it can be removed or refurbished.
- j) The new fencing to the front of Rathside Lodge on Gainsborough Lane is quite high – clerk to check if it complies with planning regulations.
- k) FRONT GARDEN COMPETITION – Cllr Kitwood advised the meeting that he might have a sponsor – Brigg Garden Centre - for this competition and it was agreed that Cllr Kitwood should ask Rod from Brigg Garden Centre – to sponsor and judge the competition.  
Councillors agreed to ‘pre-judge’ certain areas of the village and forward their short listed gardens, within the categories of large front garden, small front garden and hanging baskets, to the clerk and J Frost by 28<sup>th</sup> July 2013. This short list will then be compiled and given to the judge for final judging.
