shortly. The Police Crime Commissioner – Matthew Grove – attended a recent Ridge ward meeting when he was advised that the lack of community policing was having a detrimental effect on the area – as a result of this meeting Neighbourhood policing will be reinstated in the Ridge Ward from December. A scheme is being launched to provide more rural transport to the more remote areas – this scheme should enhance what is currently available. Cllr Foster summarised the current situation at the steel works.

Total cost for one bed (winer planting) - £178.00. The meeting agreed to introduce flower beds at Greetwell but N.L.C have quoted for one bed and the requirement was for two beds. Clerk to liaise with N.L.C and obtain a quotation for the two beds. The meeting agreed that 2 beds could be made at Greetwell with immediate effect.

2015/16 - 45

- v) New Highways matters: Cllr Mrs Keyworth advised the meeting that a resident had complained about the junction from Scawby Brook leading onto Brigg Road and then Church lane. The resident felt that the junction was very dark and that there are no white lines on Brigg Road to indicate the edges of the road. The meeting agreed that white lines should be requested from the junction up Brigg Road to the village.

Cllr's Frost and Barker met with representatives of the AD plant and Mr R Day regarding the problem of tractors and trailers travelling through Scawby (Messingham lane) to the AD plant. It was agreed that they would try and re-

route the tractors/trailers so that they do not travel through Scawby.

A discussion took place regarding the general increase of the level of traffic – particularly HGV's travelling through Scawby – it was suggested that a letter be

written to transport companies/hauliers asking them to avoid travelling through Scawby if at all possible and for local companies not to travel through the village

at peak times – i.e 8-9.30am and 2.30 – 4pm. Cllr Barker agreed to draft a letter

and bring back to the parish council for approval in January. It was agreed that

monitoring on Messingham Lane, Church Street and West Street would provide

useful evidence for when N.L.C are petitioned regarding a weight limit.

A lorry was present in the village this week which had travelled from the power

station (Pumping out the lagoon and travelling to the quarry) – when questioned

the driver did not know anything about the designated route. Clerk to email Colin
