

THE MINUTES OF THE MEETING OF SCAWBY PARISH COUNCIL HELD ON WEDNESDAY 2nd MARCH 2016 at 7.00pm IN THE VILLAGE HALL.

In the Chair : Cllr T Barker

Also present: Cllr Mrs Keyworth, Cllr P Johnson, Cllr M Pendleton, Cllr M Russell, Cllr Mrs Powell, Cllr Mrs J Chamberlain, Cllr M Burkinshaw.

In attendance : Cllr Foster, Mrs K Pickering – Clerk, 4 members of the public.

PUBLIC FORUM

A member of the public expressed disappointment that trees were felled by N.L.C on Scawby Road – this was an attempt to try and prevent straw being dragged from lorries as they passed on route to the power station. It was suggested that these trees be replaced in the tree planting scheme being undertaken by Scawby Parish Council. The member of the public suggested that N.L.C should consult with health and safety experts to try and find a solution to the straw litter problem in Scawby Brook – liaising with BNLL to find anti litter initiatives – including the possibility of sheeting all lorries entering and exiting the plant, reducing the height of the stack of straw or number of bales being carried by hauliers to the plant. The drains in Scawby Brook are now being blocked with straw litter. An email from Cllr Neil Poole advised the meeting that N.L.C are seeking legal advice from legal representatives in Leeds regarding statutory nuisance. Clerk asked to advise Nic Dakin MP of the straw debris problems affecting Scawby Brook and that N.L.C are acting to try and resolve the problem but to ask Nic Dakin if he would lend his support to N.L.C and the residents of Scawby Brook.

10. NORTH LINCOLNSHIRE COUNCIL HIGHWAYS MATTERS

- i) To receive reports from Ridge Ward Councillors: Cllr Foster advised the meeting that N.L.C had set their budget for 2016/17 and have agreed a 0% council tax increase but there will be a 2% increase in the budget for adult services – which is a requirement of all councils around the country. £500,000 has been placed within the community pot for local organisations to apply for. N.L.C intends to 'work smarter' and engage and undertake joint ventures with N.E Lincolnshire. The Call Connect transport system has been launched, an excellent 'meals on wheels' venture is operating from Broughton. No acceptable offers have been received for The Grove as yet.
- ii) Review of Action List – Fly tipping – Ermine Street and road out of Scawby to Broughton and at Brigg Road T junction. Work will commence on Church Street on 30th May 2016. Clerk to ask N.L.C what they can do to improve the grass verges at Scawby Brook which is affordable and to enquire about the start date for the pedestrian crossing at Scawby Brook. The footpath outside The Beeches on St James requires attention.
- iii) New Highways matters: Brigg Road, Scawby – the meeting felt that some works are required on Brigg Road, Scawby to improve visibility for car drivers – which lines etc – something to differentiate the road. A BT man hole needs attention at the bottom of Silversides lane – trip hazard.

11. PLAYING FIELD AND VILLAGE MATTERS.

- i. Health and Safety Incidents at the playing fields and pavilion – No matters to report
- ii. Pavilion Improvements – to report that a grant of £10,000 has been awarded from N.L.C community pot. Clerk to write to Neil and Ryan Johnson and ask them to be involved in the plans for the refurbishment of the pavilion.

Cllr Johnson proposed that the parish council provide a donation of £500 towards the war memorial, seconded by Cllr Russell and unanimously agreed. It is hoped that SET will also provide a donation of £500 which will then cover the total cost of the memorial.
