Lincolnshire Co-op – To receive information regarding a possible community project within the Co-op site area.

The representatives from the co-op asked the meeting and members of the public what they would like to see in the community open space within the co-op site grounds. They advised the meeting that a store in Lincoln – which did receive additional funding – created a French Boules area within the community space. It was suggested that another meeting be held when all the community groups – scouts, guides, brownies, horticultural society, WI etc should be invited to put forward their ideas for this community area and also put their group forward as the 'sponsored' community group from the co-op dividend card. Community Champion application forms were distributed at the meeting.

The co-op representatives advised that their national initiatives are : Spring: Lincs and Notts air ambulance, Summer : Environment Quarter, Autumn : Community Groups and Winter : Animal sanctuaries and local animal charities (to be confirmed).

The store also provides up to £30 in goods each month to voluntary groups to support the community with fund raising activities – raffles etc

For any of the above initiatives the Lincolnshire co-op can be contacted on community@lincolnshire.coop
