Welcome to Wayne Goodwin - Community Speed Watch co-ordinator.

The Chairman welcomed Wayne Goodwin, representing Humberside Police, to the meeting to inform the parish council about the community speed watch programme. He advised the meeting that volunteers are trained to operate the hand held speed guns and the data which the volunteers collect is sent to Wayne Goodwin to study. If a vehicle is record travelling at a speed greater than the speed limit a letter is sent from Humberside Police warning them about their speed and advising them to be more careful in future. If the vehicle is caught a second time not adhering to the speed ,limit a further letter is issued and the drivers details are recorded and noted as an habitual speed offender. If this driver still does not comply a 3rd letter is hand delivered by Police officers and the driver spoken to very seriously.

The training for this community speed watch initiative for volunteers takes the form of a 40minute presentation which includes health and safety followed by a practical training session with a Police Officer.

The meeting agreed that this community speed watch initiative would be discussed at the next parish council meeting after which the clerk will advise Wayne Goodwin if Scawby would like to enter into this voluntary community scheme.

Wayne Goodwin was advised of a rage rage incident on Messingham lane and the resident who had suffered this incident felt that enforcement of the speed limit might prevent such incidents in the future.
