- i) Community Speed Watch Initiative – Cllr's Frost and Barker have met with Wayne Goodwin and agreed a number of sites at which the community speed watch programme can be undertaken. There are obviously certain restrictions but the following areas met the guidelines for community speed watch – Church Street (outside Pippins), West Street (village hall), 2 sites on Messingham lane – exact locations yet to be agreed and a site at Scawby Brook will also be agreed. Greetwell did not fit the criteria for the community speed watch programme. Notices will be displayed around the village to encourage volunteers (volunteers should email their intention to be involved to the clerk). Training will then commence both theoretical and practical. Cllr Frost agreed to put posters on the notice board and once volunteers have come forward these names will be given to Wayne Goodwin.
- ii) New Police matters: The gates along Ermine Street have been driven through and a burnt out vehicle left in this area.

10. NORTH LINCOLNSHIRE COUNCIL HIGHWAYS MATTERS

- i) To receive reports from Ridge Ward Councillors: Cllr Poole advised that the community pot has been replenished for 2020/21. Funds have also been made available for residents affected by flooding. N.L.C is looking at public transport and considering an 'UBER' type scheme. The devolution of the highways grass cutting is being rolled out to more parishes. Exception sites may still be put forward to N.L.C to be included within the local plan prior to 25/3/20 – therefore once this initial consultation period has finished (25/3/20) parishes should ask N.L.C if any exception sites have been put forward.
- ii) Noise Survey – Scawby Brook – discussed under correspondence. Clerk to write to the environment agency expressing the inadequacy of this noise survey.
- iii) Action List: Clerk to forward to Cllr Poole, England and Foster the outstanding highways matters so that these items can be progressed by N.L.C.
Cllr Frost is currently undertaking work on the West Street BT box.
Village seat repairs will take place once the weather improves.
Cllr Powell to ask members of the village hall committee if they are willing to be named within the emergency plan.
Cllr Chamberlain will try to progress the planting of a memorial Cherry Tree at Sturton crossroads.
The flashing speed awareness sign at Scawby Brook has been removed – hopefully for repair.
- iv) New Highways matters: There is a loose man hole cover on Church Street which is very noisy. There is a deep pot hole on Brigg Road between the cemetery and Mill Lane. The layby outside the post office has many potholes and needs repair. There is a deep pot hole at the Messingham lane/Vicarage lane junction.
The road is breaking up badly at the entrance to the co-op and flooding occurs to the entrance to the co-op after heavy rain.

iv) Village litter pick – 8/3/20 – Councillor Ryan Johnson is heading this litter pick up.
