## 9. POLICE MATTERS

i) New Police matters: Cllr Kemp advised the meeting that on the village litter pick there was evidence of solvent abuse from Sturton crossroads to Hibaldstow bridge. The Police are aware.

## 10. NORTH LINCOLNSHIRE COUNCIL HIGHWAYS MATTERS

i. To receive reports from Ridge Ward Councillors: Cllr Foster provided a report by email. He thanked Cllr Mrs Keyworth for raising the issue of an appropriately laid out map for Scawby cemetery which has not finally been installed. There is no further update on the requested hard standing at the cemetery but Cllr Foster will chase this up. Cllr Foster has been informed that the beacon will need planning permission and the latest covid figures for North Lincolnshire are 791 cases per 100,000 population which is around the national average.

ii. Review of action list : Fly tipping is still evident on the A15 and Ermine Street – clerk to ask N.L.C to investigate again and consider hidden camera's.

iii. Neighbourhood Plan – A decision to designate Scawby Parish Council's application for a 'Neighbourhood Area' for the purpose of producing a neighbourhood plan has become effective from 2/4/22. Cllr Frost will look into the neighbourhood plans for Appleby and Worlaby – the only neighbourhood plans to date in North Lincolnshire.

iv. Beacon – Planning permission is required for the beacon. A discussion took place regarding the final positioning of the beacon with the playing fields and Ermine Street being considered. After a full discussion **IT WAS RESOLVED** with 5 votes for the playing fields and 3 votes for Ermine Street and 1 abstention to site to beacon at the playing fields. Cllr Ryan asked the meeting to consider having a flower bed on the 'roundabout' where the beacon is to be situated, with a grass strip forming a triangle and flowers in red, white and blue to be planted within the 3 triangular sections. This was agreed. A plaque for the beacon has been agreed mentioning the companies who have help to provide the beacon. Clerk will submit the planning application tomorrow and Cllr Foster has agreed to try and push this application through as quickly as possible.

v. New highways matters: No matters to report.

## 11. PLAYING FIELD AND VILLAGE MATTERS

i. Health and safety incidents at the playing fields: No matters to report

ii. Mini Orchard – side of the co-op – A site meeting has taken place with representatives of the coop and Cllr's Frost, Sidall and Chamberlain. The coop are now providing a different piece of land for the community garden which is situated to the right of the coop building. It was agreed that there would be 6 fruit trees, two planters either side of the seat and the flower bed will have a timber frame to prevent the gravel from spilling. The intention is to plant up with red, white and blue flowers this year. Daffodils and other spring bulbs will also be planted in the autumn in amongst the grasses and herbs. The coop store have asked for a plan so they can issue a formal permission notice. Clerk has asked A Sissons for the plan and a quotation for this work. N.B The plan has now been submitted to the coop and we are awaiting their approval. This area will also have a plaque signifying it is a jubilee community garden.

iii. Notice Board at coop store – The coop store has been advised of the parish councils requirements – a simple board, the same as the boards already in the store, which will belong to the coop, the key kept in the store and is only available for parish council notices. Awaiting permission/progress from the coop.

iv. Illuminating the Willow tree on the village green: Cllr Gibson will refresh the timber at the back of the electricity board and Cllr Coleman has investigated and has indicated that he can illuminate the Willow tree from the back of the war memorial. There will be no trench digging required. Cllr Coleman has kindly offered to undertake this project and therefore there will be minimal costs involved. The meeting was happy for this project to proceed.

v. Defibrillator for the pavilion at the playing fields: A supplier for a defibrillator is still being sought. Cllr Chamberlain will advise the clerk where the canoe club defibrillator was purchased from and clerk will look into other suppliers.

vi. Any new village matters: The WI are holding an afternoon tea on 23/4/22 between 2-4pm. Profits will be given to Headway and cancer research. The WI have applied to the coop to be considered for the friendship bouquets.

Cllr Chamberlain showed the meeting a book 'Stepping back In Time' written by Greta Burkinshaw in 2009. This book is to be reprinted and sold at the jubilee gala weekend. The meeting was asked if the parish council could fund the printing of the book and be reimbursed when copies are sold. This will be an agenda item for next month.

Cllr Kemp advised the meeting that there was an awful lot of mud left on the road on Oak Avenue – left by Qudos Homes.

Cllr Johnson advised the meeting that the Gala weekend will be a very big weekend with a number of 'flyovers' planned.

A discussion took place regarding the flower bed at Castlethorpe corner and that it could be made much bigger when circumstances allow.

It was noted that the main football pitch is out of action due to drainage problems and moles.
