10. NORTH LINCOLNSHIRE COUNCIL HIGHWAYS MATTERS

i. To receive reports from Ridge Ward Councillors: No report to receive.

ii. Review of action list: No matters to report on.

iii. JustGo service to Barnetby Station – Although a response from N.L.C has been received on this subject, their reasoning for not taking residents of Scawby to the station did not make sense. Cllr Foster/Cllr Ross has agreed to continue to pursue this and try to get this matter resolved.

iv. New highways matters: The dropped curbs at a property in Scawby have still not been done. There have been a number of skips and lorries/vehicles on Church lane whilst work takes place on a property which has made driving and accessing properties on this street difficult.

Some work to fill pot holes on Silversides Lane has taken place but these repairs are of poor quality and the road sweeper has visited the area. The clerk to advise N.L.C (Sheena Alexander) that the repairs are not adequate and that further pot holes have appeared which need attention. No response from N.L.C has yet been received regarding who is responsible for the road/lane at the end of Silversides Lane.

Road repairs are required at Castlethorpe corner – between the roundabout towards Scawby – LHS carriageway- two pot holes have been repaired but the traffic has pushed up the tarmac and caused a 'groove'.

The nameplate sign for Mill lane is missing. A discussion took place regarding the condition of the road to access Park Lane – this matter should be reported to the landowner. Cllr Johnson agreed to contact Cllr R Waltham again about the dyke at Scawby Brook.

11. PLAYING FIELD AND VILLAGE MATTERS

- i. S106 money - £7,349.13 – Youth shelter and toddler trail – Cllr Powell provided information/photograph about a youth shelter and Cllr Askew talked to the meeting about a possible toddler trail – with photograph supplied as an example. It was noted that the trail could be any length but needed to be 1.5m wide. It was agreed that Cllr Askew and Cllr Johnson would investigate this matter further and bring back to the meeting a possible suitable area at the playing fields and length for the trail.

- ii. Merlin Renewables Ltd – The grant application has been submitted for the environmental category – wild flower seeds/bulbs etc with £430 applied for.

- iii. The Kings Coronation – Arrangements have been made for the lighting of the beacon and the firework display – there will be a limit of 499 people for the display and this will be a ticket event. A number of people have agreed to be marshals, St Johns ambulance will be in attendance along with a PCSO.
- iv. Memorial benches at the playing fields – The bench in memory of Cllr R T Matthews is place along with the bench for The Johnson family. A further bench is to be ordered for the Coleman family which leaves one further bench which is available to be sponsored.
- v. Ornamental features for the flower beds in Scawby – The features are complete, the surveys have been undertaken therefore the features can be put in place when convenient to all concerned. Clerk to submit the forms to N.L.C for siting a structure on the highway. The plants for the co-op garden will be chosen this weekend and many residents have volunteered to look after the flower beds close to where they live – tend, water etc. The WI have kindly agreed to purchase a plaque for the jubilee garden to commemorate the Kings Coronation.
- vi. Notice Board - Olivers: Cllr Powell will seek permission from T Nelthorpe to put the new notice board in place at the property known as Olivers.
- vii. Any new village matters: Cllr Frost advised the meeting that the school had used the playing fields recently for a sports activity. The litter pick, held in March in conjunction with the co-op store, was very successful. A discussion took place regarding the correspondence from the 'Right to Ramble' group asking for information on a section of land in the parish. Northern Powergrid have been replacing poles in the village. Cllr Powell advised the meeting that the village map will be in place as soon as possible. The phone boxes are due to be painted and it was suggested that there might be some paint in the pavilion. Signs for the phone boxes – explaining that they are libraries/book swap are required. The meeting agreed to purchase 6 signs at a cost of £18.05 +vat. Cllr Powell to order these signs. Northern Powergrid left an awful lot of debris on Messingham lane after working in the area. Although this is not N.L.C's responsibility to clear up they have kindly agreed to do so. Cllr Hall advised the meeting that he is collating information on Scawby Brook and Greetwell which might be suitable to incorporate into a parish map – once this information is finalised Cllr hall will bring to the meeting. Cadent have been working in the vicinity of the new bus shelter on Ermine Street – the area of grass damaged has been seeded.
