Cllr Frost has requested that the next NATS meeting is a face to face meeting

ii) New Police matters: A report of suspicious youths on motorbikes has been recorded.

10. NORTH LINCOLNSHIRE COUNCIL HIGHWAYS MATTERS

i. To receive reports from Broughton & Scawby Ward Councillors: N.L.C will shortly be celebrating Armed Forces Day, students in North Lincolnshire will continue to benefit from post school transport to help them to continue their studies and qualifications. N.L.C are aware of two trees in the parish – one on Church Walk and one at The Grove which need attention – they are being investigated by N.L.C.

Traffic controls will be in place in Scawby Brook (Scawby Road) between 5 -9th June for essential road works. Ward Councillors are aware that the footpath to the cemetery urgently needs repair (hopefully the layby works will be done at the same time) – Ward Councillors will continue to press for these works.

- ii. HGV's travelling to the quarries – No further update.
- iii. Scawby Brook matters – 21 pot holes along Silversides lane have been marked with yellow paint , they will be patched and the road slurry sealed in due course. There is evidence of rubbish being tipped and burnt on the land at the bottom of Silversides Lane, near the cottages, the environment and enforcement team have not been proactive in investigating this matter and there is now evidence of this land being prepared to be resided upon (without the proper planning permissions) – N.L.C have been made aware.
- iv. Review of action list: The mirrors are still on the highway on Vicarage Lane – N.L.C are meant to be enforcing the removal of these mirrors. The water leak at Broughton crossroads has been fixed.
- v. New highways matters – Two lamp posts at Greetwell crossroads have either been knocked down or taken down – the area is taped for safety.

11. PLAYING FIELD AND VILLAGE MATTERS

i. Planting Group:

- a) Sunflower competition – Cllr Holmes advised the meeting that 36 entries have been received and the competition will be judged in August.
- b) Any new planting matters to consider and agree – Cllr Chamberlain advised the meeting that Merlin have kindly awarded a grant of £500 for sustainable planting and spring bulbs. All the bedding plants are now in (along with the new compost), the new area of land at the co-op has been turfed and 2/3 trees will be planted in due course. It was agreed that consideration should be given to box cutting the co-op grass – clerk to have this as an agenda item to agree next month.

Playing Field Committee:

- a) Water Meter update : Cllr Frost advised the meeting that he has identified the water meter (Wave sent photos of the location) and has taken a reading and is monitoring the water usage. At present there does not appear to be a water leak or any evidence of anyone else using the water. It was agreed that the meter will be monitored carefully during the months the football teams use the pavilion to ensure there is not water wastage. If there is a problem in the winter months the council may have to consider fitting safety/stop taps to curtail water usage and the possibility of leaving taps running.
- b) Any new playing field matters to consider and agree – Scunthorpe United conducted community football training sessions during the bank holiday weekend and have paid for the use of the pitches/pavilion.

- ii. Community Foundation Ireland grant: No further update received.
- iii. Community litter pick in conjunction with the co-op store – This activity went very well with a good turnout , lots of rubbish was collected and Cllr Johnson kindly collected all the bags which the co-op store disposed of. The co-op store kindly provided refreshments. It was agreed that a further litter pick be organised for Scawby Brook and Greetwell. Cllr Frost has stored all the litter picking equipment and has advised that there are plenty of bags for further litter picks.
- iv. New village matters – Cllr Keyworth advised that the ‘telecare’ personal alarm systems will continue to work when telephone lines go digital – BT will attend and ensure that the alarms continue to work.
Cllr Powell advised of a ‘Safe and Sound’ grant – available to residents over the age of 60 years – it is to help purchase security systems for the home - ring door bells, security lights/camera’s etc The grant is for £250 – the resident purchases the equipment and sends evidence of purchase/receipts to N.L.C who will reimburse up to £250.
